CoreBiotic™

Advanced Soil Based Probiotic

ADVANCED, COMPREHENSIVE MICROBIOME SUPPORT*

- ADVANCED: Each strain has undergone rigorous genomic studies, guaranteeing accurate specificity, potency and safety
- **COMPREHENSIVE:** Each strain has published research covering intestinal health and beyond.
- MICROBIOME SUPPORT: 11 Billion CFU per dose
- **CONVENIENT:** 1 dose per day, no refrigeration, dairy-free, vegan & competitively priced

THE IMPORTANCE OF GENOMICALLY SEQUENCED STRAINS

The development of probiotic formulas has moved beyond including general groups of organisms to using specific strains. Older probiotic formulations might list Bacillus Subtilis, for example, without identification of the strain number. Advanced formulations include only those that have been identified by genomic sequencing and have been assigned a specific strain number that is authenticated and registered at an internationally recognized biological materials resource center. Only these strain-specific probiotics have undergone rigorous genomic studies; guaranteeing accurate specificity, potency and safety.
