Greetings!

Thank you for inquiring about advertising in our publication. Please find attached our media kit.

Our circulation has grown tremendously in the past few years. Our current readership is 10,000; 80% of our readers are health care professionals (60% MDs, 25% naturopathic physicians, and 15% in all other categories). This is paid circulation. We do circulate 3,000 magazines through distributors, making the *Townsend Letter* available at newsstands, bookstores and health centers throughout the United States, Canada, England, Australia and elsewhere internationally.

Our current advertisers have been very satisfied with the response they have received through their advertising. We know you will also be greatly satisfied.

For more information, please contact us and we'll be happy to answer your questions.

Sincerely,
Jonathan Collin, M.D.
