Pycnogenol® 100
Original French Maritime Pine Bark Extract

High-potency French maritime pine bark extract, providing a unique combination of procyanidins, bioflavonoids, and phenolic acids.

Multiple clinical studies suggest Pycnogenol® improves circulation centrally and peripherally.*

Pycnogenol® is a registered trademark of Hesperian Research, Ltd. Use of this product may be prohibited by one or more U.S. patents and other international patents.

NO Inducers®
Nitric Oxide Support*

Synergistic blend of nutrients formulated to promote endogenous nitric oxide production, targeting arterial flexibility, endothelial function, and healthy blood flow.*

Contains red beet root, glutathione, citrulline, arginine, propionyl-L-carnitine, and taurine.

NO Inducers® is a registered trademark of Kinesia Health, Inc. Co., Ltd.

DHEA
Micronized Lipid Matrix

Micronized and formulated in a lipid matrix to bypass the liver, with a particle size of less than 50 microns.

Derived from non-irradiated and non-ethylene-oxide-treated wild yam.

Available as 10, 25, or 50 mg scored tablets.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

INNOVATIVE, LEADING-EDGE SUPPLEMENTS SOURCED FROM THE PUREST RAW MATERIALS SINCE 1979
