**Truly the Best CBD:  
Now Two Proven Formulas!**

**Get More with TruGen3!**  
Direct access to Chief Clinical Advisor Dr. Chris B. Roberts for answers to all your CBD questions.

- **WCSOR® Technology** has up to 60% more bioavailability than ordinary CBD products. Many formulas (including conventional) for similar effect can take grams rather than a challenge. The WCSOR® delivery system minimizes these challenges, while supporting the body's natural inflammatory response, as well as joint, bone and immune health.\*
- **Proprietary Super Critical CO2 extraction** process minimizes solvent and impurities with low-temperature, low-pressure CO2.
- **Completely natural** and non-GMO.

TruGen3 continues the Lohan family legacy of three generations and more than a half century of nutritional experience, with products produced under the highest ethical standards, available exclusively through Health Professionals.
