**Truly the Best CBD:
Now Two Proven Formulas!**

TruGen3™ offers two clear CBD products produced under the highest ethical and quality standards, now validated as the truly superior CBD product in a newly published Clinical Trial Study. "A Novel Soft Emulsifying Drug Delivery System (SEDS) Based on YEDisorb™ Formulation Technology Improving the Oral Bioavailability of Cannabidiol in Healthy Subjects".

TruGen3™ is Cannabidiol, a potent, synergistic formulation with unmatched therapeutic benefits of Cannabidiol (CBD), Beta-Caryophyllene, & Terpenes (T) powered by the YEDisorb™ delivery system for maximum absorption and bioavailability and validated by the recent TruGen3™ Clinical Trial Study. The active ingredients in YEDisorb can act as effective antioxidants against oxidative free radical damage, along with support for joints, bones, and overall good health.

TruGen3™ continues the True Family legacy of three generations and more than a half century of nutritional experience, with products produced under the highest ethical standards, available exclusively through Health Professionals. Contact us to find out how you can put our highly innovative products to work for your patients, and your practice, today.

Contact us today for **FREE SAMPLES** and to find out how you can put our innovative, award-winning products to work for your patients, and your practice, today.

Get More with TruGen3™
Direct access to Chief Clinical Advisor Dr. Chris B. Roberts for answers to all your CBD questions.

- YEDisorb™ Technology has up to 60% more bioavailability than ordinary CBD products. Many formulas (including conventional) for similar effect can take patients through a "challenge" of delivery system malabsorption. True TruGen3™, with supporting beta-carotene, inflammatory response, as well as joint, bone and immune health.
- Proprietary Super Critical CO₂ extraction process minimizes solvent and impurities with low-temperature, low-pressure CO₂ from Cannabidiol and other cannabinoids.
