TruGen3™
Three Generations of Truth in Nutrition

Get More with TruGen3™
Direct access to Chief Clinical Advisor Dr. Chris B. Roberts to answer all of your CBD questions.

- **WISDOM™ Technology** has up to 60% more bioavailability than ordinary CBD products. Many formulas (including conventional) for making these cannabinoids overcome a challenge: the "CBD" delivery system (matrix) these substances, which supports the body's natural inflammatory response, as well as joint, bone and immune health.
- **Proprietary Super Critical CO₂ extraction** process minimizes solvent and impurities with low-temperature, low-pressure CO₂ from a Certified and audited facility by 3rd party certificate of analysis.

Contact us today for **FREE SAMPLES** and to find out how you can put our bioactive, most of kind products to work for your patients, and your practice. Today!
