Get More with TruGen3!
Direct access to Chief Medical Advisor Dr. Chris B. Heltke for answers to all your CBD questions.

TruEase™ today's best-in-class CBD product, produced under the highest ethical and quality standards, was validated as the only superior CBD product in a newly published **Clinical Trial Study™**. Novel Self-Emulsifying Drug Delivery System (SEDS) based on VESISORB™ Formulation Technology Improving the Oral Bioavailability of Cannabidiol in Healthy Subjects*.

TruEase™ + Curcumin a patented, synergistic formulation with unmatched therapeutic benefits of Curcumin, Cannabidiol (CBD), Beta-Caryophyllene, & Vitamin D3 powered by the VESISORB™ delivery system for maximum absorption and bioavailability and validated by the recent **TruGen3™ Clinical Trial Study™**. The active curcumin in Curcumin acts as an effective antioxidant against oxidative free radical damage, along with support for joints, brain, and overall good health**.

TruGen3™ continues the Loren family legacy of three generations and more than a half-century of nutritional experience, with products produced under the highest ethical standards, available exclusively through health professionals. Contact us to find out how you can use highly innovative products to work for your patients, and your practice, today.

Contact us today for **FREE SAMPLES** and to find out how you can put our innovative, state-of-the-art products to work for your patients, and your practice, today.
